_____

Participant hereby requests that GSMLS, L.L.C. grant Vendor temporary access to the GSMLS MLS System for the purpose of allowing Vendor to configure, test and program the Software for use by Participant and/or Participant's Subscribers in conjunction with the GSMLS MLS System.

In making this request, Participant understands and agrees:

1. That the decision to grant Vendor temporary access to the GSMLS MLS System shall be made at the sole discretion of GSMLS, L.L.C., after its evaluation of Vendor and the Software.

2. That in the event Vendor is granted temporary access to the GSMLS MLS System, Vendor will be required to abide by the terms of a separate Temporary Access, Confidentiality and Nondisclosure Agreement with GSMLS and a Confidentiality Agreement with GSMLS's System vendor.

3. That in the event Vendor fails to abide by the terms of these Agreements, or for any other reason GSMLS in its sole discretion deems appropriate, Vendor's ability to further access the GSMLS MLS System may be terminated. This may effect the ability of the Software to continue functioning with the GSMLS MLS System.

4. That GSMLS, L.L.C. has no relationship with Vendor and makes no representations that Vendor's Software will function with the GSMLS MLS System. Any and all questions or claims that Participant may have relating to the Software should be directed to Vendor.

5. That Participant's and Participant's Subscribers use of the Software is subject to GSMLS's Rules and Regulations.
